Columbia Academy to break ground on new Anderson Fieldhouse November 4

COLUMBIA, TENN (October 26, 2011) – As part of Columbia Academy’s Vision 2020 \$10 million capital campaign, the Academy will break ground on the centerpiece of the campaign, the Anderson Fieldhouse, **November 4 at 2 p.m.** After the groundbreaking, construction will begin on the 40,000 square foot gymnasium and stadium facility that will also house a large meeting space for school and community events.

The Anderson Fieldhouse as pictured in the latest rendering of the 40,000 sq. ft. facility scheduled for construction starting in November.

“We are so happy that this day has arrived, and that God has continued to bless our efforts to grow this campus,” said President Dr. James Thomas. “We know that our students, our families and this community will benefit from this facility for years to come.”

To date, CA supporters have already pledged \$8.3 million toward the fundraising goal of the three-year campaign financing the new building, Thomas said. In addition to this construction, the Vision 2020 capital campaign has also funded the new technology initiative and one-to-one iPad program.

Other campaign goals in the works include building renovations and upgrades to make the campus more attractive, energy efficient and spacious for a growing student body. Campaign funds will also help build the endowment and continue enhancements to the new satellite campus in Spring Hill for grades Jr. K – 5.
