Summer Enrichment

SPRING HILL

Summertime is one of the best times to be at Columbia Academy! Take advantage of many great opportunities to spend your summer days with old and new friends. Together we will enjoy movies, local parks, water activities and other fun filled days, all set in a Christian environment.

Children can also explore their gifts, grow stronger athletically and find creative outlets during our variety of summer camps.

Who can come? Current Jr. K - 6th grade

Where is it located? CA Spring Hill Campus

When is it held? May 21 – July 20, 2018

What are the hours? M-F (except holiday weeks)

/ 7 am – 5:30 pm

What is the cost? \$30 to enroll for Summer Enrichment (*specific costs detailed inside*)

What do we bring? Students must provide LUNCH & 2 SNACKS

Afternoon snacks may be purchased for a minimal fee. A refrigerator and microwave are available.

Check out our Camps!

Science Camp

May 21-25

Mrs. Rebecca

Participate in hands-on experiments that reinforce basic science concepts for kids of all ages. Be ready to get your hands dirty and have fun!

History Camp

May 28- June 1

Mrs. Michele

Walk back in time and learn about different historical time periods. Each day includes a field trip of local historical sites! \$12 additional fee.

Cooking Camp

June 4-8

Mrs. Beth

Learn basic cooking skills without the use of major appliances. Learn to follow recipes, measure ingredients, and have fun while gaining life skills and making tasty treats.

Music Camp

June 11-15

Mrs. Ella

Have fun learning through music and movement.

STEM Camp

June 18-22

Mrs. Hardison

Come learn science, technology, engineering, and math through fun, hands-on activities with Mrs. Hardison and her husband, Ken, a licensed engineer and STEM instructor.

Wacky Water Camp

June 25-29

Mrs. Michele and Mrs. Beth

Beat the heat and have fun with silly, wacky sports activities. Your child will get wet; please send a towel and a change of clothes each day!

Art Camp

July 2-6 (no camp on Wed, July 4)

Mrs. Heather

Explore, create, and use your imagination through the wonderful and colorful world of art. Be ready to get your hands dirty and show your creative side!

Math Camp

July 9-13

Mrs. Reed

Expand basic math skills through hands-on math activities. Go home with a more concrete knowledge of math and a tool-box of math manipulatives and games.

Lego Camp

July 16-20

Mrs. Ashley

Use your imagination to build and create with legos.

Sewing Camp

July 16-20

Mrs. Susan

Learn basic sewing concepts and skills with Mrs. Reed's sister, Susan Leach, co-owner of Needle & Grain, a quilting and woodworking business based in Columbia, TN. Limited to students entering 3rd-6th grade.
